INFORMATION FOLDER

12th edition!

The **FIXIT YOUTH CUP**, the largest two-day youth volleyball tournament with overnight stay in Belgium. For this edition of the Youth Cup we leave the traditional Ascension weekend.

That was too late for us, so we opted for the 'extended' May 1 weekend.

The tournament is open to teams of different levels. Selection teams and volleyball schools are also welcome. Small deviations from the age limit can be discussed with the tournament management.

Categories, ages, game level

Thursday May 1st:

U13 girls, born in 2012 and later.

Saturday 3 & Sunday 4 May:

U15 girls, born in 2010 and later.

U17 girls & boys, born in 2008 and later.

Game levels:

regional (average level) or provincial (advanced)

Overnight stay

Participants stay in accommodations provided by youth organizations around Kalmthout and Wuustwezel. In total we can offer around 300 sleeping places.

Specifics

1. Transport

Each team provides transportation for the displacement between sleeping place, tournament hall and the location for the barbecue. For exceptional transportation problems you can contact the tournament management.

2. Meals

A lunch meal is provided for the Girls U13 who play on Thursday.

For the teams playing on Saturday and Sunday:

The first day of the tournament the teams provide their own lunch. In the evening we provide a big barbecue for all teams (read more!).

We will take care for breakfast on Sunday morning and a lunch meal at noon (= sandwich + drink).

3. BBQ and party

On Saturday evening, after the first tournament day, all participants are expected at the Big Youth Cup BBQ. This is included in the price for the overnight stay. Location: in and around the sports hall of Achterbroek, the clubhouse and home base of Fixit. The BBQ is followed by a **fraternization party** for the enthusiasts in the Fixit clubhouse until midnight.

4. Referees

We ask each registered club to provide a referee . For each referee provided, a discount of €30 will be given on the registration total. This delegate referee will be asked to lead 3 matches per tournament day. The discount will be settled after the tournament together with the deposit.

We do ask that, as far as possible, the delegate referee is not also the coach of his/her team.

5. Team manager

There is at least one responsible person present per team, over 21 years old, who is responsible for the guidance of the youngsters. This person is also our contact person for his/her team.

For parents and supporters

Paying in the cafetaria

In the cafeterias of the different sports halls there is no possibility to make payments using your bank card. Payment with the (Belgian!) payment app Payconiq is possible. The (planned) international payment app Wero may also be ready for use. Of course you can always pay cash!

Walking, cycling and overnight stays

Kalmthout and Wuustwezel are rural municipalities with an extensive network of hiking and cycling paths. The 'Kalmthoutse Heide' is a well-known nature reserve that extends over the border with the Netherlands (Grenspark Zoom).

There are several excellent restaurants, hotels and B&Bs in both municipalities. Parents and supporters who want to do things

besides watching the games can make it a fantastic multi-day trip!
